

Creativity Bingo

Develop a syllabus for a class I want to teach	Created a Top 10 guilty pleasures list	Finger painted	Turned Off My Phone	Asked someone to coffee	Watched the Sunrise
Stood in the grass barefoot	Gazed at a full moon	Drew with two markers at once	Wrote a haiku	Made a collage	Danced like no one was watching
Made a Playlist	Cleaned up my work / creative space	Stretched	Said "no" to something I didn't want to do	Free	Took a nap
Watched a Sunset	Worked on a puzzle	Played an instrument	Went outside for 30 minutes every day	Wrote in my journal for 10 minutes	Wandered aimlessly for awhile
